

## PROGRAMME DESCRIPTION

The Bachelor of Education (Teaching of English as Second Language -TESL) programme is designed to give students academic and technical skills in broad areas. The programme combines the precise training in methods of teaching English and practice with the analytical tools of education. It teaches students a wide range of skills that are valuable for careers in government schools, private schools, and international educational organizations. The programme is designed as a transformative program, which offers students the education, training, and first-hand experience essential for successful international careers. The programme trains the students for current and future leadership responsibilities with the development of systematic understanding, decision making and communication skills.

## PROGRAMME AIM

- ◆ Introduce students to the fundamentals of English language learning.
- ◆ Nurture future teachers who are responsive to the needs of teaching and learning English as a Second Language environment.
- ◆ Develop students to be competent individuals; equipped with language proficiency and other necessary skills to teach effectively.
- ◆ Expose students to the issues of contemporary English education.
- ◆ Cultivate students to become responsible individuals with integrated personality who can become role models to the future generation.

## PROGRAMME DURATION

Minimum Duration : 36 Months.

Maximum Duration : 66 Months.

## INTAKE AND ENTRY REQUIREMENTS

Intake : 1. January. 2. May. 3. September.
