# Professional Certificate in TESOL

## Why Join This Programme?

This programme equips educators with practical TESOL skills and internationally recognized certification to enhance their teaching careers.

Through interactive training, microteaching, and reflective practice, participants gain confidence in lesson planning, classroom management, and communicative language instruction. Graduates emerge as adaptable professionals prepared to deliver engaging English lessons in diverse local and global contexts.

### This Professional Programme is specially designed for :

- ✓ English language teachers and ESL/EFL instructors
- ✓ School tutors and lecturers
- ✓ Fresh graduates aspiring to teach English
- ✓ Educators seeking TESOL certification
