

PROGRAMME DESCRIPTION

The Master of Teaching and Learning at Lincoln University College, Malaysia, is a professionally orientated graduate program designed to prepare skilled, reflective, and innovative educators. It blends advanced pedagogical theory with practical classroom experience, emphasizing learner-centred approaches, inclusive education, and evidence-based practices. Candidates develop expertise in curriculum design, assessment, educational leadership, and effective instructional strategies for diverse learning environments. Through supervised teaching placements and research-informed coursework, the programme strengthens critical thinking, professional ethics, and adaptive problem-solving. Graduates are equipped to create meaningful learning experiences, support student development, and contribute to the improvement of educational practice within schools and wider communities.

PROGRAMME AIM

The program aims to develop reflective, skilled educators who apply effective, inclusive, evidence-based practices to enhance student learning. The program aims to produce postgraduates who are:

- Knowledgeable and efficient in solving teaching and learning challenges through the application of advanced cognitive skills, ensuring high-quality education.
- Capable of adopting practical solutions with teaching practices through effective communication and collaboration with team members to achieve highest standard performance and bridge the gap between industrial needs and academia.
- Develops students' personal, digital skills and numerical skills which integrates with 21st-century teaching and learning framework.
- Competent in applying values, ethics, and morality combined with effective leadership skills, within teaching institutions and professional development settings.

CAREER OPPORTUNITIES

Graduates of the Master of Teaching and Learning can pursue careers as qualified teachers, curriculum specialists, or educational leaders across school and community settings. They may also advance into roles in educational support services, training, and instructional design. Key roles include:

- Certified Teacher
- Educational Manager
- Head of Educational Department
- Educational Programme Coordinator
- Curriculum and Syllabus Designer
- Industry Supervisor
